## **PART 1:**

### **OBJECTIVES**

Noosa Arts Theatre holds this annual competition to foster and encourage playwrights, novice, emerging, or established. The scripts will be judged on the quality of the writing first and subsequently on its suitability for staging in a small, community theatre. The two-stage judging process is conducted anonymously; the first stage by a local panel leaving a shortlist of scripts, the second stage by a panel of three industry professionals.

### **AWARDS**

- The \$8,000 prize money sponsored by The Nimmo Family and Noosa Arts Theatre is divided between the playwrights of three best scripts, *The Eleanor Nimmo Prize* being \$5,000 for Best Play. The presentation of the awards and cheques is made after the final performance at the Noosa Arts Theatre One-Act Play Festival.
- The most popular play is judged by the audiences at all performances and The Nancy Cato Audience Choice Award, sponsored by the family of the late Nancy Cato, is presented after the final performance.
- Awards are also presented for Best Actress, Actor and Director after the final performance.

The amended script must be received by Noosa Arts Theatre within 2 weeks. No other alterations to the script will be allowed.
- The scripts are judged on the play as entered, and not by the quality of the production in the Festival, and the decision is not in any way influenced by the Direction or Acting.**
